

<b>MGC course program 2019-2021 (courses are free of costs for MGC members)</b>				
	<b>2019</b>	<b>2020</b>	<b>2021</b>	<b>ECTS</b>
<b>specialized MGC PhD Courses</b>				
Technology Facilities (in collaboration with Boerhaave (100 euro/day for non-MGC member))	11-14 February	Febr	Febr	4 x 0,4
Genome Maintenance and Cancer (250 euro for non-MGC member)	---	March	---	0,8
Multiomics data integration using R (non-MGC member: 400 (academic world)-800 euro (non-academic world))		May (new)	May	2
Epigenetic regulation in health and disease (250 euro for non-MGC member)	-----	October	---	0,8
Scripting for Life Science Researchers (250 euro for non-MGC member)	9-10 May	29 - 30 June	May/June	0,8
Next Generation Sequence data analysis (different locations) (in collaboration with Boerhaave (350-700 euro for non-MGC member))	26-28 August	Aug/Sept	Aug/Sept	1,4
Functional Imaging and Super resolution (Erasmus MC)	4-8 Nov	Oct/Nov	Oct/Nov	1,6
Protein aggregation disorders: from clinic to therapy (new in 2019) (250 euro for non-MGC member)	30-31 October	----	October	0,8
Python programming (400 euro for non-MGC member)	26-29 Nov	12 - 15 October	Oct/Nov	1,6
Stem Cells, Organoids and Regenerative Medicine (new in 2018) (300-600 euro for non-MGC member); Erasmus MC)	12-15 Nov	Nov	Nov	1,6
Practical Linux (no course fee)	23 January (~6 times / year (1/2 day)	~6 times / year (1/2 day)	~6 times / year (1/2 day)	0,3
GitLab as a collaborative working environment (new in 2017) (no course fee)	6 February	12 February	Febr	0,3
Code and data management with Git (no course fee)	~2 times/year	25 March (~2 times/year)	2 times a year	0,5
Genetic modifications of model organisms and their applications in basic and translational research (in collaboration with Boerhaave (500 euro for non-MGC member))	17 - 21 June	---	June	1,8
Single Cell Analysis (400 euro for non-MGC member)	14-18 Oct	Oct/Nov	Oct/Nov	2
The Ins and outs of CRISPR-Cas (400 euro for non-MGC member)	maart	2,3,10 and 11 M	??	2
<b>In collaboration with MoImed ErasmusMC</b>				
Basic and translational oncology (350-700 euro for non-MGC member); Erasmus MC)	Oct	Oct	Oct	1,8
<b>In collaboration with LUMC afdeling Veligheid, Gezondheid, Milieu</b>				
Safely working in Laboratory	22 May and 1 O	2 times a year	2 times a year	0,3
